In producing this mighty landscape it. It is the royal road to virtue, to nature has wasted nothing, but with good citizenship; it is the only road. Epigrams by a Popular Preacher.

The Rev. Dr. C. H. Parkburst, of the Madison Avenue Presbyterian Church, New York, is, perhaps, the most popular preacher in that city. His church is always packed. He owes his popularity very greatly to his pithy sayings. which flow from his pen as easily as from his tongue. In an article in the March Forum, on "What the Public Schools should Teach," occur the following epigrammatic sayings:

People have to pay for being stupid. Money cannot make brains, but brains can make money. Whether in a mill-pond or in the

swim of life, it is a man's head that must be kept above water if his whole body will be saved from drowning. Industrial ignorance is the mother of idleness, the grandmother of destitution and the great-grand-mother of so-

cialism and nibilistic discontent. A good deal of what we are please to call our goodness is only another name for methods of behaving that we bave had drilled into us till they have

pecome habits. We want to avail ourselves of the pressure of theistic motives, not children out of hell by and by, but for the sake of keeping hell out of the childrep now.

Furthermore, honesty and its associ arithmetic and spelling, but have to be acquired by something the same tuitional process, which must begin with the boy's beginning and grow with his growth, if it is to be in him an integral

It is to be wished that there were law prohibiting the use of spellthe Brass, the Silver and the Golden - It will welcome sentiment as the splendid device for using up a poor boy's time and souring his disposition; but it will not keep him out of the grave, nor help him pay rent and butcher's bills.

THE "MUCH-MONEYED MAN." DEDICATED TO THE ADELPHIAN SOCIETY, B

ONE OF ITS MEMBERS. Long trusted and true, The College of Moderns Was not made for you.

The earth in its orbit, Doth leave not a place Where brother meets brother, With olden embrace;

The chariot of fashion-Miss Vanity's Fair-The love of bright lucre, Now stifles the air, Till brother's dear titles,

And home's sacred ties, On the wings of the wind The grand rush of scien The cable's great span,

Leaves room for naught else But the "Much-moneyed Man." To-day the proud steamship Doth sail every sea, Their currents are chartered The wild waves are free.

The iron-horse thunders Caged lightning doth whisper Along each new trail; Now carve out the mine

The light from Electra Above us now shines. The loom and the shuttle Are driven by steam, Machinery doth labor

While we steep and dream; The brain's strength and beauty— All else of life's span— Are kneeling to science, And the "Much-moneyed Man."

But go, my dear brothers, When Earth's maiden beauty

Was sweet and sublime; When Cartella plunged 'Neath the fountain's pure wave, From Apollo, her youth Go back to old Delphi,

Where nature did cleave Parnassus asunder, That valley to heave; Where the Graces in stlence. No mortal could wrong, And the muses did warble

Sweet nature's own song-Where love, youth and innocence Leading the van, Had no room for that stranger, (Adel-phian) the "Much-moneyed Man." Go back to old Delphi,

Let Pythia proclaim, There is room for the Adelphian To crowd the bright plane Of genius, of virtue, Of friendship, of truth, Where the twins of Latonia Oft played in their youth ; Where zones with loud thunder

Cleft mountains apart, Where Apollo, the beautiful Cheered the young heart; Where the springtime flowed freely Over lives at the stream. When Homer, in pathos, Oft told his bright dream,

Of the races it ran, Of the "Much-money But the modern R. E. C.

Above the new bonnet Which on Sunday she wore Has no welcome, my brother, For you or for me; She thinks we've no money,

And for brains what cares she? Her only ambition Not worth and true merit, But the "Much-moneyed Man."

Still at Home.
